**TIERcleancare™**  
FLOORING SYSTEMS

### Product description

#### Product characteristics

Water additive with natural vegetable soaps and natural wash-active substances and caring additives – for easy, effective and gentle cleaning of wood and cork floors – non-streaky.

Freshens up the surface and makes it dirt-repellent.

Non-foaming – can therefore also be used in automatic cleaning machines.

#### Colour

MXC 710 colourless.

#### Fields of application

Cleans and maintains all wooden and cork floors with waxed or oiled surfaces.

Other washable floors – PVC, stone, ceramic, tiles, laminate floors, and linoleum.

Furniture and other interior wood with waxed, oiled or varnished surfaces.

#### Application procedure

Pour into cleaning water – 2 cover capfuls are sufficient for approximately 5L of water. Wring out cloth and wipe floor as usual. If too moist, remove excessive water with dry cloth.

For a complete renovation of wood and cork floors use Tier Maintenance Oil.

#### Ingredients

Natural based washing substances.

Natural caring and aroma substances.

#### Physical properties

Specific gravity: 1.00 g/cm<sup>3</sup>.

Viscosity: fluid (liquid).

Odour: mild, odourless when dry.

#### Safety advice

Keep out of the reach of children. Do not bring into contact with victuals and animal food. Do not fill into containers normally used for food and drink. In case of contact with eyes rinse immediately with plenty of water.

#### Storage properties

Practically unlimited if stored under frostfree conditions

#### Coverage capacity

Can size and coverage:

1L 2 capfuls = sufficient for approximately 5L of water (*1 cap contains approximately 10ml of clean care concentrate*).

#### Health and environment

Solvent-free, biologically degradable, container recycable. Gentle to the skin.
