TIERfloorcleaner™
FLOORING SYSTEMS

Product description

Tier floor cleaner is a versatile, ready to use, on floors in both commercial and domestic environments. Tier floor cleaner is ideal for cleaning of both lacquered and oiled wooden flooring. Also suitable for the cleaning of sealed stone, terrazzo, PVC, linoleum, vinyl, other painted/lacquered surfaces, laminate, tiles, glass, and porcelain.

Contents

Ethoxylated hydrocarbons

Preparation

Sweep the surface of the floor with a soft broom or dry microfibre mop to remove all loose particles and dirt.

Always shake the bottle well before use.

Tier floor cleaner is ready to use and does not need to be diluted.

Application procedure

To apply Tier floor cleaner, use well wrung out mop, microfibre mop or clean cloth. If the floor becomes too saturated with liquid, wipe away any excess with a clean dry cloth.

Never pour water or cleaning solution directly onto wood or laminate floors, instead use a damp cloth or floor mop and remove excess liquid immediately.

Recommended for use approximately once per week or as seen as necessary, dependent on the level of foot traffic and the environment where the floor is located.

Safety advice

Keep out of the reach of children. Do not bring into contact with victuals and animal food. Do not fill into containers normally used for food and drink. In case of contact with eyes rinse immediately with plenty of water.

Shelf life

Best before five years in unopened container from date of production.

Health and environment

Tier floor cleaner is not classified as hazardous to your health or the environment.

Usual precautions for handling chemical products should be considered.

- Ensure adequate ventilation.
- Use protective goggles and gloves.

Refer to safety data sheet for further information.
