Brightly coloured finishes for our wooden flooring collections

Open up a world of endless possibilities with Tier spectrum™ colour finishing which can be applied to any of our wooden flooring ranges.

Whether it be a reception area floor that needs to match the colour of soft furnishings, or a walkway to coordinate with ambient hues, take a look at our extensive range of colours.

With many tints, shades and colour matching abilities in between, Tier Global can produce all our oak flooring ranges in a finish to complement the bright, radiant colours that many offices embrace today.

This whole product range is available using FSC®-certified materials on request.
